Not everyone who made the journey was in this shot but its one which we'll never forget. Gold, red and black made it into our eyes and when Kwinana left Geraldton the other competitors were left seeing it too. I mean 32 medals for the club left some sort of mark!!!

Kelsey and Austin represented us well at states, Austin held claim to some medals and new personal bests and Kelsey walked away with some unforgettable personal bests after coming up against strong competition. An excellent effort was shown by both of them.
